

# AM STOU

## SAE 15W40

Previously known as Multitrac Super

### Description

**AgriMaster (AM) STOU SAE 15W40** is a multi-functional super tractor oil universal (STOU) lubricant suitable for a wide range of agricultural machines from compressors to combine harvesters.

### Applications

AM STOU is a multipurpose lubricant for crankcase of diesel and four stroke petrol engines, transmissions, hydraulics, power take offs, wet brakes, hydrostatics and power steering of a wide range of agricultural and industrial tractors and implements.

AM STOU will meet the performance requirements:

- Massey Ferguson M1143 but cannot be claimed as it is a UTTO specification only and not applicable to STOU fluids
- API CI-4 and ACEA E7 level of soot control
- ACEA E4-08 and MB228.3 level of wear performance on B05 fuel
- MB Approval 228.3 and ACEA E7 level of piston cleanliness on B05 fuel

### Features & Benefits

AM STOU is the one fluid to lubricate the entire tractor. As it is STOU and as it is the only lubricant required it eliminates the chances for misapplication. It provides:

- Superior soot handling
- Excellent anti-wear to prolong the life of your equipment
- Thermal and oxidative stability to reduce thickening of the oil which otherwise leads to reduced lubrication and increase wear
- Excellent acid neutralisation to prevent engine corrosion and improve durability
- Reduced friction which assists at start up to reduce wear
- Water protection to make sure that the engine and components are properly lubricated at all times

### Specifications

Properties	Method	Result
Specific Gravity @ 20°C	ASTM D1298	0.889
Kinematic Viscosity @ 40°C	ASTM D445	87.8
Kinematic Viscosity @ 100°C	ASTM D445	12.9
Viscosity Index	ASTM D2270	146
Sulphated Ash %Wt	ASTM D874	1.55
Total Base No. mg KOH/gm	ASTM D2896-11	10.4
