

SM Power Steering Fluid

Description

ShopMaster (SM) Power Steering Fluid is a premium power steering fluid that is mineral based and suitable for most power steering systems.

Applications

SM Power Steering Fluid is suitable for most passenger car and light commercial power steering systems. It is also compatible with other power steering fluids and can be used to top up existing fluid.

Features & Benefits

- Multigrade viscosity characteristics for year round protection
- Contains Teflon which enhances the fluids load carrying capacity providing for a quieter operation, reduced friction and less wear of critical parts
- Minimises squawk in power steering pumps
- Exceptional anti-wear performance to minimise gear wear
- Contains rust and corrosion inhibitors
- Compatible with a wide range of seal materials
- Excellent foam control
- Excellent thermal stability giving long service life

Specifications

Properties	Method	Result
Specific Gravity @ 20°C	ASTM D792	0.862
Kinematic Viscosity @ 40°C	ASTM D445	8.5
Kinematic Viscosity @ 100°C	ASTM D445	44.4
Viscosity Index	ASTM D2270	171

Performance Levels

GM 9985010 (Saginaw Power Steering Systems)	Chrysler MS-1872	Audi PN G002000
GM 9985835 (Wide Temperature Performance)	Chrysler MS-5931	Saab PN 30 09 800
Honda PN 082-9002 PE	Ford M2C-195-A	Subaru PN K0Z09AD080
Mercedes Benz PN 00 989 8803		

Master Item# 1206

Pack Size Availability: 5L, 200L
