# Maximum Protection High Performance Proven Formulations Value for Money

ShopMaster by Anglomoil includes all the basic workshop needs. From everyday vehicle and machinery maintenance to aerosols to assist with any ongoing projects. The ShopMaster Range of workshop lubricants is manufactured using world-class ingredients with exclusive formulations to meet your needs.

## Vehicle Fluids

### SM Power Steering Fluid

Premium, mineral based oil suitable for most passenger car and light commercial power steering systems.

Master Item #: 1206

Available in: 5L & 200L

### SM Brake Fluid DOT 3

Premium, high boiling polyglycol-based brake fluid for use in a wide range of brake and clutch systems where DOT 3 is required.

Master Item #: 2811

Available in: 20L & 210L

### SM Super Brake Fluid DOT 4

Premium, high boiling polyglycol-based brake fluid for use in a wide range of brake and clutch systems where DOT 4 is required.

Master Item #: 2815

Available in: 500mL, 5L, 200L & 205L

### SM Silicone Brake Fluid DOT 5

Premium and fully synthetic brake fluid designed for where DOT 5 is required. Contains effective corrosion inhibitors, antioxidants and lubricity additives.

Master Item #: 2813

Available in: 1L & 200L

### SM Suspension Fluid

Hydrolastic Suspension Fluid for Mini Coopers between 1964 – 1971.

Master Item #: 2851

Available in 20L

## Workshop Products

### SM Heavy Duty Degreaser

For cleaning machinery workshop floors, etc, which can be heavily contaminated with oil and grease.

Master Item #: 2821

Available in: 20L, 200L & 1000L IBC

### SM Bio Degreaser

Concentrated biodegradable, water-based alkaline detergent, perfectly suited for the automotive, commercial, industrial and marine industries. 300g aerosol currently under development.

Master Item #: 2823

Available in: 20L, 200L & 1000L IBC

### SM Dewatering Fluid

Solvent based corrosion preventative with excellent moisture displacement properties.

Master Item #: 2827

Available in: 20L & 200L

### SM Engine Flush Concentrate

An advanced chemical formulation suitable for use in all internal combustion engines that helps clean and prepare an engine for a new oil.

Master Item #: 2830

Available in: 20L

### SM Hand Cleaner (With Grit)

Made to protect your hands and provide good cleaning, contains citrus oils and is suitable for people with skin sensitivity.

Master Item #: 2831

Available in: 500g sample, 5kg & 20kg

### SM Mop Up Spill Absorbent

Loose particulate absorbent designed to clean up spills.

Master Item #: 2833

Available in: 15kg bags

### SM Hand Sanitiser Liquid

Liquid hand sanitiser to cleanse hands once washed, can be used in Anglomoil Sanitiser Stand.

Master Item #: 2834

Available in: 5L

### SM Glass Cleaner Concentrate

Blue liquid formulated to aid cleaning of the outside of vehicles windscreens when mixed with water in the washer reservoir.

Master Item #: 2845

Available in: 20L

### SM Heavy Duty Truck Wash

Water-based wash for trucks, cars, 4WD's, boats, caravans, buses and bikes.

Master Item #: 2855

Available in: 20L & 200L

### SM Brake Cleaner

Non-chlorinated, non-toxic cleaner designed to rapidly remove brake fluids, oils, dirt, grease and other contaminants from brake linings, disc pads, clutch plates, rotors, cylinders and springs.

Master Item #: 2862

Available in: 20L & 200L

### SM Diesel Injector Cleaner

Ideal for preventing or gradually cleaning up fuel injector deposits.

Master Item #: 2829

Available in: 20L

### SM Petrol Injector Cleaner

Concentrated gasoline detergent formulated to clean carburettors, port fuel injectors and intake valves whilst controlling combustion chamber deposits.

Master Item #: 2847

Available in: 20L

### SM Radiator Flush

Non-acidic radiator and cooling system flush to remove insulating built-up sludge and residue before changing coolant in any cooling system.

Master Item #: 2932

Available in: 200L

### SM Adblue

A non-toxic aqueous urea solution used to chemically reduce NOX-emissions from heavy-duty diesel-powered vehicles.

Master Item #: 2837

Available in: 10L, 20L, 200L & 1000L IBC

## Engine Coolants

### Green

#### SM Engine Coolant Ethylene Concentrate

A long-life concentrated anti-freeze/anti-boil corrosion inhibitor, allowing protection for up to 250,000Km or four years.

Master Item #: 2909

Available in: 5L, 20L, 200L & 1000L IBC

#### SM Engine Coolant HDD Premixed

Specifically designed for general-purpose, heavy-duty cycle engine suitable for diesel trucks, buses, marine, locomotive and static engines.

Master Item #: 2917

Available in: 20L, 200L & 1000L IBC

### Red

#### SM Engine Coolant Ethylene Concentrate

A long-life concentrated anti-freeze/anti-boil corrosion inhibitor that uses OAT (Organic Additive Technology) to protect petrol and diesel engines in all conditions.

Master Item #: 2925

Available in: 20L, 200L & 1000L IBC

#### SM Engine Coolant OATCOOL Premixed

An all-purpose, long-life OAT (organic additive technology) coolant that is prediluted with demineralised water and suitable for both automotive and heavy-duty diesel engines.

Master Item #: 2921

Available in: 20L, 200L & 1000L IBC

## Aerosols

### PRO Range

#### Pro EPT Spray Lubricant 300g

Item #: 2839300

#### Pro H.D. Degreaser 300g

Item #: 2841300

*Under Development: Pro H.D. Brake Cleaner, Pro H.D. Spray Grease & Pro H.D. Chain Lube*

### Everyday Range

#### Brake Cleaner 400g

Item #: 2862400

#### Carby & Throttle Body Cleaner 400g

Item #: 2865400

#### Water Dispersant 400g

Item #: 2866400

#### Chain Lube 400g

Item #: 2867400
